CORE SPECIALIZATIONS

Crafting spaces across five disciplines.

From raw structural wood to high-precision hardware and intelligent culinary appliances, Chelari Tradings bridges the gap between architectural blueprints and immaculate reality.

01 Architectural Glass Partitions & Mirrors

02 Marine Grade Plywood & Veneers

03 Designer Hardware & Smart Locks

04 Modular Kitchen Accessories

05 Intelligent Built-in Home Appliances

ARCHITECTURAL GLASS • IS:710

GLOBAL ENGINEERING & AUTHENTICITY

Authorized world-class architectural brands.

Chelari Tradings is Kerala's verified distributor for certified motion hardware, high-performance structural glass, and precision German culinary appliances.

AUSTRIA — Authorized Flagship

blum

Motion Hardware & Drawer Systems

Austrian soft-close hinges, Tandembox, Legrabox, and Aventos lift mechanisms backed by lifetime performance guarantee.

GERMANY — Authorized Partner

Hettich

InnoTech & Architectural Fittings

German-engineered InnoTech Atira drawer tandems, Sensys soft-close hinges, and sliding door mechanisms.

GERMANY — Authorized Partner

HÄFELE

Architectural Hardware & Locks

State-of-the-art digital biometric security, luxury architectural ironmongery, and sliding glass partitions.

FRANCE — Certified Supplier

SAINT-GOBAIN

High-Performance Architectural Glass

Ultra-clear low-iron toughened glass, fluted reeded panels, acoustic laminated panes, and high-clarity mirrors.

INDIA — Certified Supplier

AIS Glass

Toughened & Solar-Shield Glass

High-durability safety architectural glass engineered for tropical thermal control and structural facades.

INDIA — ISI Certified

CenturyPly

IS:710 Marine Calibrated Hardwood

100% Gurjan hardwood core, BWP phenol formaldehyde bonded, ViroKill certified, and termite resistant.

INDIA — Certified Partner

GREENLAM

Architectural Veneers & Surfaces

Synchronous tactile woodgrains, compact fluted wall panels, and fingerprint-resistant matte surfaces.

ITALY / GERMANY — Authorized Studio

FABER • BOSCH

Smart Induction & Chimney Suites

Schott Ceran induction hobs, gesture-sensing silent 1400m³/hr extractor hoods, and built-in microwave ovens.

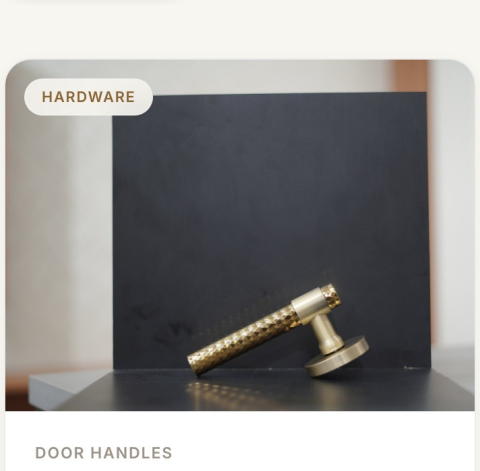
CURATED PORTFOLIO

Explore our showroom collection.

Each piece is selected for timeless aesthetics, tactile materiality, and rigorous structural longevity.

All Disciplines | Glass Solutions | Ply

HARDWARE



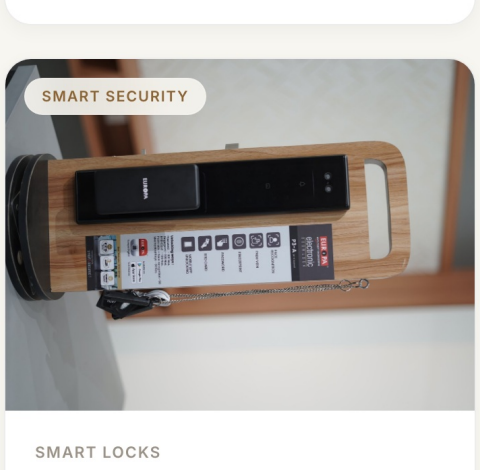
DOOR HANDLES

Knurled Brushed Brass Lever

Machine-knurled solid brass architectural lever engineered with heavy-duty return spring mechanism.

PVD Gold — View Specs →

SMART SECURITY



SMART LOCKS

Biometric Touchscreen Smart Lock

6-in-1 access with semiconductor fingerprint, PIN, RFID card, emergency mechanical key, and mobile app sync.

Smart Access — View Specs →

HARDWARE

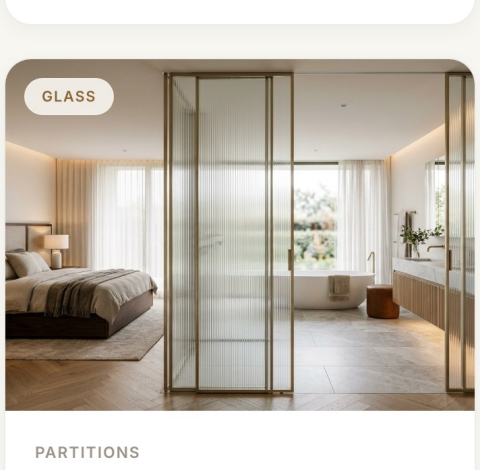
MINIMALIST SERIES

Austo Matte Black Lever

Architectural minimalist cylinder profile with fingerprint-resistant velvet matte finish for contemporary residences.

Matte Black — View Specs →

GLASS



PARTITIONS

Fluted Reeded Glass Partition

10mm tempered fluted glass framed in minimal champagne brass slimline sliding track system.

ENGINEERING BENCHMARK

Architectural grade specifications.

We partner with globally recognized manufacturing standardizations, ensuring every square foot and every brass component performs under harsh tropical climates.

Download Technical Sheet →

Glass Standards:
AIS / Saint-Gobain Toughened & Laminated — 6mm to 12mm thickness, acoustic PVB interlayers, custom fluted/reeded patterns with edge-polished CNC grinding.

Plywood Certification:
IS:710 Marine Grade BWP (Boiling Water Proof) — 100% Gurjan hardwood core, vacuum pressure impregnated with phenol formaldehyde synthetic resin.

Hardware Mechanics:
Solid Forged Brass & SUS304 Stainless Steel — Tested for 500,000 opening cycles. PVD (Physical Vapor Deposition) multi-layer coating resistant to coastal Kerala corrosion.

Modular Kitchen Tech:
German Blum & Hettich Motion Hardware — Synchronized feather-light drawer runners, 65kg load capacity, integrated soft-close dampers, lifetime warranty.

Appliance Engineering:
Schott Ceran Glass & Baffleless Extractor — High-efficiency copper induction coils, 9-level slider touch controls, 1400m³/hr extraction with auto-clean thermal sensors.

Showroom Location:
Chelari, Malappuram (Calicut Bypass, Kerala) — Direct access on NH 66 with full material sample displays, live kitchen demonstrations, and dedicated architect lounge.

PROFESSIONAL TRADE SERVICES

Dedicated support for Kerala's architects & designers.

We collaborate closely with architectural studios, interior designers, and luxury villa contractors across Calicut, Malappuram, and Kochi — providing seamless technical specs, swatches, and priority fulfillment.

Studio Sample Boxes
Physical fluted glass, IS:710 hardwood cross-sections, and PVD brass finish swatches delivered directly to your studio.

CAD / DWG Specifications
Ready 2D/3D cutouts, Blum/Hettich technical drawings, and load-bearing data for architectural construction drawings.

Architect Trade Pricing
Tiered trade billing, direct project quotes, and manufacturer-backed project warranties for high-end residential villas.

Dedicated Trade Concierge
A single point of contact at our Chelari showroom for fast turnaround, client walkthroughs, and material mockups.

ARCHITECT ENDORSEMENTS

Testimonials

AR. ABDUL KAREEM
Principal Architect, Kareem Associates

"Chelari Tradings is my go-to for luxury villa projects in Calicut and Malappuram. Their marine plywood calibration and architectural brass handles have zero compromise on quality."
